

## **Au Domains Fund Privacy Policy:**

By using the Au Domains Fund website, you agree to the Privacy Policy, as well as the Terms and Conditions. The Privacy Policy, as well as the Terms and Conditions, relates to the collection and the use of any personal information that you may supply to us.

We reserve the right, at our discretion, to modify or remove portions of this Privacy Policy, as well as portions of the Terms and Conditions at any time. We recognise the importance of protecting the privacy of information you may provide us. We may amend this Privacy Policy, as well as the Terms and Conditions as and when our business requires it or the law changes. Any changes to this Privacy Policy will be updated on our website, so please visit periodically to ensure that you have our most current privacy statement.

### **Personal Information**

Information about our potential clients and or customers is only collected when it is knowingly and voluntarily submitted. For example, your email address is used as a means to communicate important or relevant information on the services provided by Au Domains Fund or to answer any requests for information or queries. We will not pass on any information you have given to us, to any third parties unless you have specifically requested us to do so. It is our intention that this policy will protect your personal information from being dealt with in any way that is inconsistent with applicable privacy laws in Australia.

### **Disclosure**

Au Domains Fund will not sell, trade or disclose to any third party, any private information resulting from the enquiry or registration to Au Domains Fund. Except in special situations where we have reason to believe that doing so is necessary to identify, contact or bring legal action against anyone damaging, injuring, or interfering (intentionally or unintentionally) with our rights, property or anyone else who could be harmed by such activities. Also, we may disclose personal information when we believe in good faith that the law requires disclosure. When Au Domains Fund engages the use of any other agent, contractors or third parties to perform services on its behalf, Au Domains Fund will endeavour to ensure that the company protects your private information in a manner consistent with this policy.

### **Security**

Au Domains Fund will endeavour to ensure the security, privacy and integrity of any personal information that is submitted to us. Unfortunately, no data transmission over the Internet can be guaranteed to be totally secure. However, Au Domains Fund will endeavour to take all reasonable steps possible to protect any personal information that you may transmit to us. Au Domains Fund will not be held responsible for events arising from unauthorised access to your personal information.

### **Access to Information**

Au Domains Fund will endeavour to take all reasonable steps to keep secure any information that you send us, and to keep this information accurate and up to date. If, at any time, you discover information being held about you is incorrect, you may contact us to have that information corrected. In addition, all employees, contractors or third parties who provide any type of service related to the information held by Au Domains Fund, are obliged to respect the confidentiality of the information held by us.

## **User Communications**

When you send email or other communication to us, we may retain those communications to process your inquiries, respond to your requests and improve our services.

## **Links to other Websites**

Any links that Au Domains Fund provides to other websites, outside of our website (including any third-party websites) are not under our control, and we cannot accept responsibility for the conduct of the companies linked to our websites. Before disclosing any of your personal information on those other websites, we advise you to examine the terms and conditions of using that website and its associated privacy and policy statements.

## **Liabilities**

- (a) Au Domains Fund services are delivered over Telecommunications carrier networks, and We are therefore not able to guarantee that there will be no interruptions to service. All services are delivered as best efforts.
- (b) Performance of the services are dependant on factors outside of our control, including traffic on and technical difficulties with the internet, telephone networks, SMS and email systems where they apply to your service. In no event will either party be liable to the other for any consequential special or incidental damages and including without limitation, damages resulting from loss of profits whether based on breach of contract, tort (including negligence), product liability or otherwise. This limitation will apply even if we have been advised of the possibility of such damages. We shall not be obliged to put in place any substitute or alternative service should there be a failure of or delay in providing the service.
